PREMIUM COFFEE COMPANY COMES TO HARROGATE

New coffee house set to be coffee-lovers' paradise

Premium coffee roasting company Paddy & Scott's has chosen a new Harrogate coffee house as its first branded outlet in the town.

One of the UK's fastest growing high-end coffee brands, recognised for its quality, ethics and innovative blends, Paddy & Scott's will be available at Storm Brewing, the new destination for coffee and tea, breakfast and light lunches and wines and champagnes when it opens for business at the beginning of May.

Just a few minutes' walk from the town centre, Storm Brewing is next to Grants Hotel on Swan Road, and unusually for Harrogate centre, boasts a spacious outdoor terrace area where customers will be able to enjoy the first of the summer sunshine. The new coffee house will be managed by Victoria Vasallo, the famed Maltese chef of Storm Restaurant & Bar.

Coffee lovers of all ages will be able to choose from an innovative menu, from the 'Flat White', (a double-shot espresso originating from New Zealand) to Paddy & Scott's signature drink, a punchy coffee served with a shot of Grappa.

Paddy Bishopp, who co-founded the firm with fellow coffee aficionado Scott Russell, said: "All of our coffee is slow-roasted and produced in Britain, and we're delighted to be working with the team at Storm Brewing to bring our brand to Harrogate.

"With its relaxed, continental feel, not to mention its fantastic outdoor area, Storm Brewing is the ideal place to while away an hour or so with a cup of Paddy & Scott's.

General manager Stephen Brennan said: “We’re looking forward to opening for business at the beginning of May, particularly with a high quality, ethical brand such as Paddy & Scott’s on board.

“Storm Brewing will be a place where customers can pop in for a quick coffee or while away an hour or two over a bite to eat with friends or clients, and simply watch the world go by. We’re hoping it will become the destination of choice for breakfast and lunch, and particularly for people who appreciate a really good coffee.”

Storm Brewing opens for business at the beginning of May under the same leadership as Storm Restaurant & Bar, which boasts famed Maltese chef Victoria Vassallo at its helm. Both are located within the long-established Grants Hotel on Swan Road.
